

Preferred Industrial Technical Data Sheet

EnviraSafe - BioGuard WS Biodegradable Dust Suppressant & Soil Stabilizer

DESCRIPTION

BioGuard WS is a water soluble, naturally biodegradable dust suppressant and soil stabilizer. BioGuard is formulated with renewable North American grown natural seed oils and blended with proprietary emulsifiers and surfactants to safely control dust migration and stabilize soil without impacting the environment.

DIRECTIONS

BioGuard concentrate formula is fully dilutable. Mix 20% to 30% (by volume) of concentrate with water. Apply mixture approximately ½ gallon per linear foot.

BENEFITS

- Naturally biodegradable and virtually non-toxic
 - Applies easily
 - Non-staining formula
 - No unpleasant smell, toxic fumes or petroleum odor
 - Does not contain petroleum, diesel, animal fat or animal by-products
 - Less flammable than petroleum or animal based products
 - Meets Federal and California VOC Regulations
 - Conforms to EPA's, EPP and USDA Biobased criteria
 - Controls dust migration and stabilizes soil
 - Made from renewable North American grown vegetable oils
 - Classified as Work Safe & Earth Friendly
-

TYPICAL PROPERTIES

Appearance	Amber
Flash Point, °C (°F)	120 (248)
Specific Gravity	1.22 @ 25°C
Biodegradability	Naturally Biodegradable
Aquatic Toxicity	Non-toxic
Freezing Point °C (°F)	< 2 (36)

PACKAGING

Tanker Bulk – Special Order
1040L - 275 Gallon Totes
208L - 55 Gallon Drums
20L - 5 Gallon Pails

Disclaimer & Other Information

To the best knowledge of Preferred Industrial Products Corporation and any of its affiliated companies (The Companies), Distributors, Representatives or Agents (Others), the information contained herein is believed to be accurate and reliable. However no liability whatsoever is assumed for the accuracy or completeness of the information contained herein. All materials may present unknown health hazards and should be used with caution.

Since actual conditions of use or handling are beyond our control no liability or warranty is expressed, implied or accepted for any loss or damage caused directly or indirectly through the use of this product. Intending users should satisfy themselves by performing appropriate tests as to the suitability of this product for any particular purpose. The sole remedy for non-performance or breach shall be the refund of the purchase price. All other liability is negated and disclaimed. The Companies and Others shall not be liable for incidental or consequential damages. The Companies reserve the right to make changes to the product formulation, technical data and performance specifications without notice to any user or purchaser of the product.
