Lectrasol II

Safety Solvent Cleaner Degreaser

Description: Lectrasol II cuts through oil, grease and grime, cleaning electric motors, even as they operate.

Benefits:

- ❑ Hi-dielectric strength and non-flammable spray allow application directly into electric motors even while in operation.
- ❑ Saves money by avoiding expensive down-time.
- ❑ Works effectively on metallic and non-metallic surfaces.
- ❑ Dries quickly.
- ❑ Residue-Free.
- ❑ Highly effective solvent makes quick work of heaviest oil, grease and grime deposits.
- ❑ Versatile. Can be used on: motors, electrical equipment, tools, ignition systems, printing equipment, relays, switches, metal molds, generators, and assemblies.

Directions:

- Saturate surface with spray.
- Allow time for the solvent to work, then wipe dry, or reapply to rinse the area clean.
- Surface will air dry in 30 seconds.

<u>Physical Properties</u>	
Type.....	Solvent degreaser
Color.....	Clear
Odor.....	Mild
PH.....	N/A
Flammability.....	Non-flammable spray
Composition.....	Solvent blend
